Reaching the World
Keith & Karen Dodson-April 11, 2021

Keith & Karen Dodson serve with MMS Aviation which has prepared people and planes for worldwide missionary service since 1975. Keith began service with MMS in 1997 where he serves as their Mobilization Manager. In that role Keith & Karen have two primary areas of responsibility: Candidate Development and Partnership Services.

Candidate Development involves connecting with people interested in mission service, preparing them for application, and then evaluating them for service with MMS Aviation.

Partnership Services involves training, coaching, resourcing & encouraging approved candidates in the process of raising the prayerful & financial support necessary to begin, stay in, and thrive in full-time faith-supported ministry.

With more than 20 years of experience in candidate development & partnership services, Keith & Karen are uniquely qualified to minister in these areas.

Since 1975 MMS Aviation has prepared 94 missionary aircraft mechanics for field service, served more than 110 missionary aviation agencies, and performed over 600 major aircraft repairs and restorations. In 2019, MMS mechanics and apprentices worked on 26 missionary aircraft from 20 different agencies, investing 24,055 maintenance hours saving mission aviation over \$1,000,000 in labor expenses alone.

Thanking God For– 1. His unending blessings, mercy and faithfulness. **2.** CBC's 24 years of faithful partnership in ministry with us. **3.** For an ice-cream freezer bowl that fits Karen's Kitchenaid mixer. **4.** The honor of representing each of you through Missionary Aviation. **Prayer– 1.** For functional technology in my Graham, NC office as I teach basic photographic concepts to indigenous Christian workers in Togo and Republic of Congo via Zoom: April 13 & 20th. **2.** For Austin & Sharon C. to reach full support to start Apprenticeship with MMS by July 31. **3.** For God's wisdom as we evaluate Jack & Katie H. for service as hangar staff, April 11-17. **4.** For Karen's safety and continued good health as she visits with family and friends in PA, April 10-16. **5.** For applicants to serve as administrative personnel (human resources, bookkeeping, administrative assistance) with MMS Aviation. Karen and I would coach them in support raising!
